
Order of Honour Nomination Form

The Order of Honour is a society of the Association of Professional Engineers of Ontario. Its purpose is to recognize and honour those professional engineers and others who have rendered outstanding service to the engineering profession in Ontario, primarily through the association.

Inclusion in the Order may be awarded by the Council to members of the association who have served the profession diligently for many years and/or have made a substantial contribution to the operation of the profession or improvement in its status. Such service will primarily be rendered through participation in association affairs. Service performed in other engineering organizations or agencies may be considered but only as complementary to PEO service. Provision is made in the Regulations of the Order for the recognition of services rendered by non-members of the association. Nominations are considered by the association's Awards Committee, which will assess the nominations and make its recommendations to the Council of the association. The committee may also conduct its own research and make independent selections and recom-

mendations for inclusion in the Order. These do not have priority over outside nominations and all nominations received will be considered on an equal basis.

All five nominators must be professional engineers and members of Professional Engineers Ontario. Nominators should supply complete detail on their nominee. Individual statements from each nominator on the reasons the candidate should be considered for this award must accompany the nomination.

Inclusion in the Order is granted in one of three levels: Member, Officer or Companion. Nominations should not make any recommendations as to the level but should include sufficient information to enable the committee to make its recommendation. Nominations may be made at any time, but will be considered annually.

Full information is in the Guidelines for Nomination and Terms of Reference of the Order, which is available from PEO's Communications Department or by visiting PEO's website at www.peo.on.ca.
